

FOSSIL RIDGE HIGH SCHOOL

SCHEDULE OF SCHOOL-BASED STUDENT FEES

Adopted by the Board of Education ~~September 27, 2022~~ **May 24, 2022**

District-Wide Fees and Charges can be found on the [Board-Adopted Schedule of District-Wide Student Fees and Other Select Charges](#)

Certain fees/charges may be waived for students eligible for free or reduced-price meals under the federal income poverty guidelines in accordance with the Waiver Code column of the schedule. The District's Permission to Share Information for Fee Waiver and Programs to Receive Goods and Services form must be completed.

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
Curricular Programs:				
1	Course 5240/5227: Advanced Acting Supplies/Introduction to Acting Supplies	\$15.00	To cover the cost of students purchasing their own scripts to participate in the class performance.	Students who do not pay will not receive their own script and will not be able to participate in performances, and instead will assist with production/backstage roles.
1	Course 6804: Advanced Chemistry Supplies	\$12.00	To cover the cost of students purchasing their own workbook.	Students who do not pay will not receive their own workbook and will instead be required to print off the required pages from the workbook at home using the course book that is available on Blackboard.
1	Course 6804: Advanced Chemistry Subscription	\$35.00	To offset the cost of students receiving access to Assessment and Learning in Knowledge Spaces (ALEKS), a web-based homework tool.	Students who do not pay will not receive the subscription and will be assigned comparable work from the textbook.
1	Course 1292: Advanced Digital Design Supplies	\$20.00	To cover the cost of supplies for printing of student projects, including but not limited to, mat board, paper, and ink.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.

A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.

B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.

C. In addition to the participation fee, there may be additional voluntary activity fee and/or other charges, including but not limited to travel and registration costs and uniforms and other equipment. Additional charges are not subject to the waiver.

*** Waiver Code: Numbers corresponding to waiver categories for students eligible for free or reduced-price meals:**

1 = Fees/charges related to the actual cost of textbooks and expendable supplies not provided free of charge

2 = Fees/charges for curricular enrichment activities and supplies

3 = Fees/charges for testing and test preparation

4 = Fees/charges for transcripts and other student records

5 = Fees/charges for extracurricular activities and supplies (not including the District Athletic Participation Fee)

6 = District Athletic Participation Fee

X = No waiver

N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 1241: Advanced Drawing Supplies	\$48.00	To cover the cost of students purchasing their own supply kit, including but not limited to, a hardbound 11X14 sketchbook, colored pencils, pen set, erasers, charcoal pencils, and pastels. Items may also be purchased individually.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 4440/4441: Catering 1/Catering 2 Supplies	\$35.00	To cover all or a portion of the cost of purchasing food for all students to use in cooking labs.	Students who do not pay will not be allowed to participate in the labs and will be required to make up some of the food labs at home to demonstrate their skills and complete text-based assignments including but not limited to worksheets, food science preparation principles, and enhancement videos.
1	Course 1281: Advanced Painting Supplies	\$40.00	To cover the cost of students purchasing their own supply kit, including but not limited to, canvas building supplies, staples, nails (5/8 brads), pine lattice, canvas, duct tape, Masonite, glass, paper, watercolor, paper, paint, collage materials, foil, hot glue, and tissue. Items may also be purchased individually.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 6880: Aerospace Engineering Supplies	\$50.00	To cover all or a portion of the cost of supplies used for student projects, including but not limited to balsa wood, rocketry parts, composite materials, motors, and batteries.	Students who do not pay will either observe the projects or be allowed to complete certain components of the projects with scrap and used parts.
1	Course 6830: Anatomy and Physiology Lab Supplies	\$20.00	To cover all or a portion of the cost of supplies for all students to use for dissection labs, including but not limited to, cow eyes, sheep brains, sheep hearts, and cats.	All students will participate in the labs regardless of whether payment is made; however, students who do not pay will observe the other students performing the dissection.

- A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.
- B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.
- C. In addition to the participation fee, there may be additional voluntary activity fee and/or other charges, including but not limited to travel and registration costs and uniforms and other equipment. Additional charges are not subject to the waiver.

*** Waiver Code: Numbers corresponding to waiver categories for students eligible for free or reduced-price meals:**

1 = Fees/charges related to the actual cost of textbooks and expendable supplies not provided free of charge
2 = Fees/charges for curricular enrichment activities and supplies
3 = Fees/charges for testing and test preparation
4 = Fees/charges for transcripts and other student records

5 = Fees/charges for extracurricular activities and supplies (not including the District Athletic Participation Fee)
6 = District Athletic Participation Fee

X = No waiver N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 1484: AP Studio Art Supplies	\$70.00	To cover the cost of students purchasing their own art supplies, including but not limited to, drawing papers, canvas Printing fees (for photo/digital students), clay/glaze (for 3D students), oil paint, acrylic paint, watercolor (as needed), jewelry materials (for 3D jewelry students), matboard for matting portfolio, and other specialty materials as needed.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
2	Course 2795/2800/2805/2891: Band Course Enrichment Activities	\$100.00	To cover all or a portion of the cost of course activities including but not limited to purchasing copyrighted music, music clinicians, masterclass instructors, registrations for adjudicated performances, and transportation to performance events.	Students who do not pay cannot take the course.
2	Course 2830/2840: Jazz Ensemble Enrichment Activities	\$50.00	To cover all or a portion of the cost of course activities including but not limited to purchasing copyrighted music, music clinicians, masterclass instructors, registrations for adjudicated performances, and transportation to performance events.	Students who do not pay cannot take the course.
1	Band Instrument Rental 1	\$75.00	To cover all or a portion of the cost per semester of students renting one instrument, including repairs and maintenance.	Students who do not pay or supply their own will not receive an instrument to take home but will instead have access to an instrument during class, which must be returned at the end of the class period.
1	Band Instrument Rental 2	\$50.00	To cover all or a portion of the cost per semester of students renting a second instrument, including repairs and maintenance.	Students who do not pay will not receive a second instrument to take home but will instead have access to an instrument during class, which must be returned at the end of the class period.

- A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.
- B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.
- C. In addition to the participation fee, there may be additional voluntary activity fee and/or other charges, including but not limited to travel and registration costs and uniforms and other equipment. Additional charges are not subject to the waiver.

*** Waiver Code: Numbers corresponding to waiver categories for students eligible for free or reduced-price meals:**

1 = Fees/charges related to the actual cost of textbooks and expendable supplies not provided free of charge
 2 = Fees/charges for curricular enrichment activities and supplies
 3 = Fees/charges for testing and test preparation
 4 = Fees/charges for transcripts and other student records

5 = Fees/charges for extracurricular activities and supplies (not including the District Athletic Participation Fee)
 6 = District Athletic Participation Fee

X = No waiver N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 2891: Percussion Equipment Fair Use	\$75.00	To cover all or a portion of the cost per semester of students renting and using shared percussion equipment during class for instructional purposes, including repairs and maintenance.	Students who do not pay will not receive an instrument to take home but will instead have access to an instrument during class, which must be returned at the end of the class period.
1	Course 2512: Music Production/Technology	\$40.00	To cover all or a portion of the cost per quarter of supplies, hardware, and software used to create digital media for student projects, including cables, MIDI controllers, headphones, Mac mini computers, monitors, and music production software subscriptions.	Students who do not pay cannot take the course.
1	Course 2513 Music Production/Technology 2	\$75.00	To cover all or a portion of the cost per quarter of supplies, hardware, and software used to create digital media for student projects, including cables, MIDI controllers, headphones, Mac mini computers, monitors, and music production software subscriptions.	Students who do not pay cannot take the course.
1	Course 6840: Botany, Microbiology, Supplies	\$10.00	To cover the cost of students purchasing their own supplies for botany, including but not limited to a pot, plants, soil, vermiculite, pipe cleaners, yarn, and a binder/portfolio. The charge is an estimate based on previous years' costs and will not exceed the actual cost of the supplies.	Students who do not pay the charge will not receive the supplies and will observe another student's project, in the same class, to record results.
1	Course 6850/6748: Cell Biology and Genetics/Biotechnology Supplies	\$20.00	To cover the cost of purchasing supplies used by all students in the course, including but not limited to, tips, centrifuge tubes, agarose, chemicals, DNA fingerprinting kits.	Students who do not pay the charge will not receive the supplies and will observe another student's project, in the same class, to record results.
1	Course 6790: Chemistry Supplies	\$12.00	To cover the cost of students purchasing their own workbook.	Students who do not pay will not receive their own workbook and will instead be required to print off the required pages from the workbook at home using the course book that is available on Blackboard.

A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.

B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.

C. In addition to the participation fee, there may be additional voluntary activity fee and/or other charges, including but not limited to travel and registration costs and uniforms and other equipment. Additional charges are not subject to the waiver.

*** Waiver Code: Numbers corresponding to waiver categories for students eligible for free or reduced-price meals:**

1 = Fees/charges related to the actual cost of textbooks and expendable supplies not provided free of charge

2 = Fees/charges for curricular enrichment activities and supplies

3 = Fees/charges for testing and test preparation

4 = Fees/charges for transcripts and other student records

5 = Fees/charges for extracurricular activities and supplies (not including the District Athletic Participation Fee)

6 = District Athletic Participation Fee

X = No waiver

N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 6860: Zoology	\$5.00	To cover the cost of purchasing supplies used by all students in the course, including but not limited to, specimens for dissection and gloves.	Students who do not pay the charge will not receive the supplies and will instead view an online or virtual dissection to complete the lab assignments.
1	Course 2540/2760 2713/2750/2711/ 2730FR: Choir Supplies	\$40.00	To cover the cost of students purchasing their own sheet music.	Students who do not pay will not receive their own sheet music and will instead be provided used sheet music that must be returned after each performance cycle in the condition it was received.
X	Course 2540/ 2713/2750/2711: Choir Uniform	\$65.00	To cover the cost of students purchasing their own dress (directly from a third party) for required choir performances.	Students who do not pay will not receive their own dress and will instead be provided with a recycled dress for performances, which must be returned after the completion of the course. 9 th grade girls also have the option of renting a dress.
<u>1</u>	<u>Course 2558/Show Choir Dress</u>	<u>\$120.00</u>	<u>Covers required dress for show choir competitions and performances.</u>	<u>Students who do not pay will not receive their own dress and will need to provide a director--approved performance outfit.</u>
1	Course 2750: Choir Dress Rental	\$35.00	To cover the cost of uniform rental. The charge is an estimate based on the cost of uniform cleaning.	Students who do not pay will not receive a uniform.
X	Course 2540/2730/2760 2713/2711: Choir Uniform (Men)	Varies	Students are expected to purchase their own black suit (jacket, shirt, tie, and pants) for required choir performances.	Students who do not purchase their own black suit will be provided with a recycled suit for performances, which must be returned after the performance.
1	Course 2692/2860/2865: Orchestra Supplies	\$25.00	To cover the cost of students purchasing their own sheet music.	Students who do not pay will not receive their own sheet music and will instead be provided with sheet music that must be returned after each performance in the condition it was received.

- A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.
- B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.
- C. In addition to the participation fee, there may be additional voluntary activity fee and/or other charges, including but not limited to travel and registration costs and uniforms and other equipment. Additional charges are not subject to the waiver.

*** Waiver Code: Numbers corresponding to waiver categories for students eligible for free or reduced-price meals:**

- 6 = District Athletic Participation Fee

X = No waiver

N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 1213/1214: Design A/Design B Supplies	\$30.00	To cover all or a portion of the cost of supplies used for student projects, including but not limited to, paint, canvas, clay, colored pencils, drawing paper, tissue paper, yarn, and construction paper.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 1220: Digital Design Supplies	\$40.00	To cover all or a portion of the cost of supplies used to print student projects, including but not limited to ink, photo paper and t-shirts.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 1225: Digital Drawing and Painting Supplies	\$20.00	To cover all or a portion of the cost of supplies used to print student projects, including but not limited to ink and photo paper.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 1240: Drawing Supplies	\$48.00	To cover the cost of students purchasing their own supplies, including but not limited to sketchbook, pen holder, pen points, ink, set of 6 drawing pencils, portfolio for projects, charcoal, specialty paper, colored pencils, erasers, sharpener, and charcoal pencils.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 4390/4391: Fashion Design and Merchandising 1/Fashion Design and Merchandising 2	\$25.00	To cover all or a portion of the cost of purchasing supplies for student projects, including but not limited to fabric, patterns, thread, sketchbooks, pencils, and needles.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.

- A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.
- B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.

- 6 = District Athletic Participation Fee

X = No waiver N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 4410: Culinary Nutrition Supplies	\$35.00	To cover all or a portion of the cost of purchasing food for all students to use in cooking labs.	Students who do not pay will not be allowed to participate in the labs and will be required to make up some of the food labs at home to demonstrate their skills and complete text-based assignments including but not limited to worksheets, food science preparation principles, and enhancement videos.
1	Course 4340/4341: Interior Design 1 – Residential/Interior Design 2 - Commercial	\$25.00	To cover all or a portion of the cost of supplies used for student projects, including but not limited to fabric, patterns, thread, sketchbooks, pencils, needles, color patches, flooring, paint, and upholstery samples.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 1270/1271: Jewelry/Advanced Jewelry Supplies	\$45.00	To cover all or a portion of the cost of purchasing supplies for student projects, including but not limited to metal, sandpaper, stones, sawblades, glass, cord, and findings.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 2283: Metal and Machining Fabrication A Supplies	\$50.00	To cover all or a portion of the cost of supplies used for student projects, including but not limited to steel, wire and welding electrodes.	Students who do not pay will not receive new supplies and instead will use recycled pieces from previous years or scrap materials.
1	Course 2284: Metal and Machining Fabrication B Supplies	\$50.00	To cover all or a portion of the cost of supplies used for student projects, including but not limited to stick welding electrodes, MIG wire, shielding gasses, contact tips, plasma torch parts, cutoff wheels, and grinding wheels.	Students who do not pay will not receive new supplies and instead will use recycled pieces from previous years or scrap materials.
1	Course 2287: Metal and Machining Fabrication IIA Supplies	\$50.00	To cover metal for projects & practice coupons as well as GTAW (TIG) consumables.	Students who do not pay will either observe the projects or be allowed to create certain components of the projects using scrap or recycled materials.

A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.

B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.

C. In addition to the participation fee, there may be additional voluntary activity fee and/or other charges, including but not limited to travel and registration costs and uniforms and other equipment. Additional charges are not subject to the waiver.

3 = Fees/charges for testing and test preparation

4 = Fees/charges for transcripts and other student records

5 = Fees/charges for extracurricular activities and supplies (not including the District Athletic Participation Fee)

6 = District Athletic Participation Fee

X = No waiver

N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 1280: Painting Supplies	\$48.00	To cover the cost of students purchasing their own supply kit, including but not limited to watercolors, brushes, paper, canvas, Masonite, paint, and supply bag.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 1300/1310: Photo/Creative Photo Supplies	\$40.00	To cover the cost of students purchasing their own photography supplies, including but not limited to film, photo paper, negative protector sheets, mounting tape, mounting board, chemicals, and images.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 1311: Advanced Photo	\$48.00	To cover the cost of students purchasing their own photography supplies, including but not limited to film, photo paper, negative protector sheets, mounting tape, mounting board, chemicals, and images.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 1320/1322: Pottery/Advanced Pottery Supplies	\$60.00	To cover all or a portion of the cost of supplies for student projects including but not limited to clay, glaze, and stains.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 1330/1331: Sculpture/Advanced Sculpture Supplies	\$45.00	To cover the cost of supplies for student projects including but not limited to soapstone, soap, plaster, gauze, plaster, armature, wire, clay, hot glue, packing tape, paper, and clay.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.

- A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.
- B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.

- 6 = District Athletic Participation Fee

X = No waiver N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 1340: Studio Art History	\$45.00	To cover the cost of supplies for student projects including but not limited to, sketchbooks, plaster, clay, paper, paint, stain, ink, charcoal and wire.	Students who do not pay will not receive the supplies needed to complete projects and will be responsible for providing their own materials. If they do not bring their own supplies, they will instead complete projects using scrap/left over materials that cannot be taken off school grounds.
1	Course 3030: Sports Medicine Supplies	\$4.50	To cover the cost of students purchasing their own supply kit for practical exercises, including tape, pre-wrap, and other supplies.	Students who do not pay will not receive the supplies and instead will observe other students performing the exercises.
1	Course 9938: STEM Academy Survey	\$25.00	To cover 3D filament, electronic components, and biotechnology lab supplies.	Students who do not pay will either observe the projects or be allowed to create certain components of the projects using scrap of recycled materials.
1	Course 2279: Principles of Engineering and Technology Supplies	\$50.00	To cover all or a portion of the cost of supplies for projects, including but not limited to 3D printing filament, wood, and replacement circuit parts.	Students who do not pay will either observe the projects or be allowed to complete certain components of the projects with scrap and used parts.
1	Course 2205/2206: Robotics and Automated Systems A & B Supplies	\$50.00	To cover all or a portion of the cost of consumable supplies used for building the robot, including but not limited to gears, nuts, bolts, controllers, and replacement circuit parts.	Students who do not pay will either observe the projects or be allowed to complete certain components of the projects with scrap and used parts.
1	Course 2221S1CEFR: FRCC Solidworks/Mechanical	\$30.00	To cover all or a portion of the cost of supplies used for student projects, including but not limited to paper, drafting pencils, 3D filament, replacement circuit parts, gears, and controllers.	Students who do not pay will either observe the projects or be allowed to complete certain components of the projects with scrap and used parts.
1	Course 2223: Architecture Supplies	\$30.00	To cover all or a portion of the cost of supplies used for student projects, including but not limited to 3D filament, paper, drafting pencils, replacement circuit parts, gears, and controllers.	Students who do not pay will either observe the projects or be allowed to complete certain components of the projects with scrap and used parts.

A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.

B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.

C. In addition to the participation fee, there may be additional voluntary activity fee and/or other charges, including but not limited to travel and registration costs and uniforms and other equipment. Additional charges are not subject to the waiver.

*** Waiver Code: Numbers corresponding to waiver categories for students eligible for free or reduced-price meals:**

6 = District Athletic Participation Fee

X = No waiver

N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 2210 CFRHS: FRCC Mechanical Design 1	\$30.00	To cover all or a portion of the cost of supplies used for student projects, including but not limited to 3D filament and wood.	Students who do not pay will either observe the projects or be allowed to complete certain components of the projects with scrap and used parts.
1	Course 2282/2233/2237/2240: Woodworking Technology A & B/Woodworking Technology IIA & IIB	\$50.00 ^C	To cover all or a portion of the cost of supplies for the completion of required projects, including but not limited to abrasives, saw blades, knives, adhesives, stains, and hardware.	Students who do not pay will not receive new supplies and instead will use recycled pieces from previous years or scrap materials.
X	Course 2282/2233/2237/2240: Woodworking Technology Additional Project Supplies	\$ Varies	To cover the cost of materials for required additional projects selected by the student.	Students who do not pay will not receive new materials and will instead use recycled pieces from previous years or scrap materials to complete their project.
X	Course 2283/2284/2287: Metal and Machining Fabrication Additional Project Supplies	\$ Varies	To cover the cost of materials for required additional projects selected by the student.	Students who do not pay will not receive new materials and will instead use recycled pieces from previous years or scrap materials to complete their project.
1	Course 2292: Metal and Machining Fabrication IIB	\$50.00	To cover all or a portion of the cost of supplies for the completion of required projects.	Students who do not pay will not receive new supplies and instead will use recycled pieces from previous years or scrap materials.
1	Course 2293: Principles of Manufacturing	\$50.00	To cover all or a portion of the cost of supplies for the completion of required projects.	Students who do not pay will not receive new supplies and instead will use recycled pieces from previous years or scrap materials.
N/A	Course 5231/5237/5239: Theatre Practicum/ Musical Theatre Production Make Up	\$20.00	To cover the cost of students purchasing their own stage make-up kit.	Students can supply their own make up kit. Students who do not supply their own kit or pay will be provided with a kit.

A. If multiple courses and/or grade levels are listed, each course and/or grade level has a separate fee/charge.

B. Unless otherwise noted, the fee/charge is an estimate based on previous years' costs and will not exceed the actual cost of the item and/or activity.

C. In addition to the participation fee, there may be additional voluntary activity fee and/or other charges, including but not limited to travel and registration costs and uniforms and other equipment. Additional charges are not subject to the waiver.

*** Waiver Code: Numbers corresponding to waiver categories for students eligible for free or reduced-price meals:**

1 = Fees/charges related to the actual cost of textbooks and expendable supplies not provided free of charge

2 = Fees/charges for curricular enrichment activities and supplies

3 = Fees/charges for testing and test preparation

4 = Fees/charges for transcripts and other student records

5 = Fees/charges for extracurricular activities and supplies (not including the District Athletic Participation Fee)

6 = District Athletic Participation Fee

X = No waiver

N/A = Not Applicable

Waiver Code*	Description of Fee/Charge ^A	Estimated Fee/Charge	Purpose of fee/charge and how it was derived ^B	Consequence if fee/charge is not paid
1	Course 5231/5237: Theatre Practicum/ Musical Theatre Production	\$75.00	To cover a portion of performance rights and royalties, choreography, costumes, professional staff and instruction, script purchases, and rentals.	Students who do not pay will not receive a costume and will be responsible for procuring their own director, costume director, and approved costumes for the production. They will not receive a script but will have a photocopy that must be returned at the end of the production.
1	Course 5239: Technical Theatre Certification	\$75.00	To cover all or a portion of the cost of materials including but not limited to props, fabric, wood, and paint.	Students who do not pay will be responsible for providing their own materials.
2	Course 3600: Adventure Physical Education Enrichment Activities	\$95.00	To cover the cost of activities for the course including but not limited to wall climbing, scuba diving, paddle boarding, and archery.	Students who do not pay will not participate in activities that are covered by the fee and will instead participate in comparable alternative activities, including but not limited to, watching videos, and completing worksheets and research projects to learn about the fundamentals.
2	Course 6760: AP Biology Enrichment Supplies	\$28.00	To cover the cost of students purchasing their own supplementary workbook to assist with studying for the AP exam.	Students who do not pay will not receive the workbook and instead must choose other study methods.
1	Course 2209: Principles of Construction	\$50.00	To cover all or a portion of the cost of supplies for the completion of required projects, including but not limited to abrasives, saw blades, knives, adhesives, stains, and hardware.	Students who do not pay will not receive new supplies and instead will use recycled pieces from previous years or scrap materials.
1	Course 2400: Engineering Physics	\$10.00	To partially cover materials and supplies for students to build models of buildings, roller coasters, Rube Goldberg machines, and more in order to experience what it is like to be an engineer and to explore the real-world applications of physics.	Students who do not pay will not receive new supplies and instead will use recycled materials.
